

## Fine Arts Society of Milton

A non-profit organization, FASM was formed to bring together people with a common interest in visual art and to provide the opportunity for members to further their growth in art and art appreciation.

### *Did you know?*

- Founded by 16 artists in 1997, FASM's membership has grown to 125 very diverse artists.
- FASM is an Affiliated Group recognized by the Town of Milton for its role of providing and supporting leisure activities for Milton residents.
- ***From Heart to Hand*** continues our tradition of an annual members' show that began in 1997.
- First organized in 1998, our annual **Studio Tour** takes place on the weekend before Thanksgiving. Join us this year on October 3<sup>rd</sup> & 4<sup>th</sup> 2015 for this premiere art tour.
- FASM continues to grow as a recognized community source for creative souls. Opportunities for members, non-members and the viewing public have increased and include the Youth Visual Arts Mentoring Project, a proposed "Art is Ageless" Program for Seniors, the Holiday Season members' show, various classes and activities for all ages as well as art displays in a number of local businesses.
- The recent installation of a composite Mural created by 80 FASM artists can be seen at the Mattamy National Cycling Centre on Pan Am Drive. The celebratory mural, presented to the Town of Milton is a legacy in tribute to the athletes of the PanAm and ParaPan Am Games of 2015 and the citizens of Milton who will perpetuate the spirit of the games.
