

Your Own Art Show !

Did you know that our Milton Town Hall offers space for visual artists in the unique two-storey Milton Room?

The 'Milton Room Showcase' is a beautiful light-filled room that provides an ideal opportunity and a welcoming space for local artists to showcase their work in a community venue. This room is used for public and business meetings as well as receptions.

Along with the hanging space provided in the Milton Room, each artist exhibiting has the additional opportunity to exhibit their works in the Mayor's office as well. Each artist's work will hang for approximately three months with a minimal administrative cost of \$30.00 and no commissions will be taken on sales.

The Criteria are simple:

- Art works should be appropriate for a business and public event venue.
- Submissions can be from individuals wishing a solo exhibit or from a group of two or three artist who have a common theme and wish to share the space.
- Artists should either be members of FASM or reside in the Milton or immediate surrounding area.

The Milton Room is particularly suited to 2 dimensional works; painting, drawing and photography and provides hanging space for 10 – 15 pieces of work, depending on size.

It is recommended that interested artists visit the Milton Room. All artwork submitted for consideration will be reviewed by the Showcase Selection Team comprised of four current FASM members.

Over the past few years many of our FASM members have participated in showing their work in this public venue. We are now booking into 2014 /2015 and would sincerely welcome your participation.
